

NEW: Online Fundraising Event Tools & Support

We're here to help you reach your fundraising goals with a variety of online platforms that are easy to use, and our team will guide you through the planning process with ideas and best practices.

Online Raffles

- Use our online 50/50 raffle platform for a simple way to raise money using your teammate's contacts.
- Your team also can raffle off unique items, such as bikes or event tickets.

Online Auctions

- Encourage your teammates to gather auction items for online bidding! Our platform utilizes text messages to alert bidders when they have been outbid.

Ticketed Events

- Hosting an event such as a golf outing or karaoke fundraiser is a great way to bring everyone together. Our team can help you create a custom website that allows you to sell tickets and highlight information about your fundraising event.

Email Jacqui Woodford at WOODFOJ3@CCF.ORG to get started on planning your team fundraiser today!
